1. Who is this travel insurance product designed for, and what are the likely objectives, financial situation, and needs, of customers in this target market?

The Medibank Travel Insurance product can provide insurance for people who travel in Australia or overseas with a choice of protections. These protections are called plans and the plans vary. The product includes a range of common covers subject to the travel insurance plan. The product is designed for travellers who want the flexibility to choose options to vary their cover. The ability to select travel insurance plans and options allows customers to choose cover most relevant to their needs and objectives. The ability to select the travel insurance plan and options allows the cost and protection of the product to accommodate the financial situation of customers within certain limits. Additional criteria relevant to each travel insurance plan are set out on the following pages.

This Target Market Determination (TMD) sets out the target market for these plans:

- International Comprehensive
- International Medical Only
- Domestic

International Comprehensive Travel Insurance Plan

2. Who is the product designed for?

This product with an International Comprehensive Travel Insurance Plan has been designed for individuals who a) have **an overseas trip**, b) need to reduce some unforeseen costs associated with overseas travel and c) want to be covered against financial loss caused by certain unforeseen incidents involving leisure travel where the loss suffered may be material if there is no cover ("customers").

These customers are willing to select appropriate benefits and level of cover relevant to their own circumstances. These customers can pay the premium and bear the excess, or an equivalent reduction in claim payments, in the event of a covered claim. Customers may need to bear the cost of upfront payments for incurred losses before being reimbursed where we don't cover losses upfront. Circumstances where we don't make upfront payments include if we have not agreed that you are covered. Limits, exclusions and conditions apply which also affect the amount of any claim payment.
